- TYPE C3 + USB-A - 65WATT + 30WATT
- TYPE C4 + USB-A - 15WATT + 10WATT
- TYPE C1/C2 + USB A - 100WATT + 30WATT

Specifications:

- Model: Adapto 200
- Input : 110-240V 50/60Hz 3.6A
- PD Output: Type C1/C2/C3/C4 - 5V-3A,9V-3A,12V-3A, 15V-3A,20V-5A (100W)
- USB A - 5V-3A,9V-3A,12V-2.5A (30W)
- PPS Output: TYPE C1/C2/C3/C4 - 3.3-21V/5.0A
- Max Output: 200W

Important Safety Information

Please read all safety information and operating instructions prior to using the Product. Improper use of the product could result in excess heat, fire, explosion, electric shock, toxic fumes or other injury or damage. Using the Product improperly will void the warranty.

1. Do not place or store the Product in any high temperature environment, including intense sunlight or heat. Do not place the Product in a fire.
2. Be cautious of any excessive drops, bumps, abrasions or other impacts to the Product, If there is any damage to the product such as dents, punctures, tears, deformities or corrosion, due to any cause, discontinue use immediately and contact Support.
3. Do not disassemble the Product. Do not attempt to repair or modify the Product in any manner. Do not try to replace any parts of the Product.
4. Do not expose the Product to moisture or submerge it in a liquid. Keep the Product dry at all times.
5. The Product is intended for use by adults. The Product should only be used by minors when under proper adult trained supervision. The Product should never be used by small children.
6. All Products have gone through a full quality assurance inspection to test for proper functionality. If you find that your Product is not functioning properly you should stop usage of it immediately, If the Product is emitting excessive heat, odor is deformed in any way, broken, cut, experiencing or demonstrating some abnormal phenomenon, immediately stop all Product use and contact the support department.
7. Do not use the Product while in any potentially explosive atmosphere. Sparks in such areas could cause an explosion or fire, resulting in serious injury or even death.
8. If you choose to dispose of the Product, dispose of the product in an appropriate manner following all federal and state regulations. Since the Product contains electronic components, it can not be thrown away with normal household waste.
