

AERODRIVE

Type-C Powered Car Air Purifier
with HEPA Filtration & RGB Lighting

User Manual

PRODUCT INTRODUCTION

AeroDrive is a compact car air purifier powered via Type-C. It features a high-efficiency filter and a high-speed internal fan designed to draw in polluted air, filter impurities, and release cleaner air through a smooth airflow tunnel. Ideal for cars and small enclosed spaces, it helps improve air quality during daily commutes.

SAFETY & INTENDED USE

- Read all instructions carefully before use.
- Do not expose the product to fire, water, or extreme heat.
- Do not wash or immerse the purifier under running water.
- Keep away from direct sunlight and high-temperature environments.
- Improper handling may cause damage or malfunction.
- In case of abnormal operation, disconnect the power supply immediately.
- Designed for use in SUVs, Sedans & Hatchbacks .
