

APOLLO 20

25W Bluetooth Speaker With Dual Wireless Karaoke Mic

User Manual

INSTRUCTIONS

- 1. Read Instructions:** All the instruction should be read carefully before operation and follow the instruction.
- 2. Environment:** The speaker should be situated away from heat sources such as radiators, with proper ventilation, and not expose to moistair or water.
- 3. Positioning:** Place the speakers on a stable surface and out of reach of children.
- 4. Power Sources:** The speaker should be connected to a power supply only of the type described in the operating instruction or as marked on the speaker, using the accessories enclosed
- 5. Electric Shock:** To avoid shock hazard, do not remove the cover or dismantle the unit, do not insert anything into the unit.
- 6. Mending:** The user should not attempt to repair the speaker. Servicing should be referred to qualified service personnel or returned to the dealer or contact nearest Portronics Service Centre For assistance.

7. Cleaning: Disconnect the main plugs from the outlet before cleaning the unit. Only use soft cloth, no harsh abrasives or chemicals to clean, as it will damage the surface finishing.

8. Non-Use Periods: The power cord of the speaker should be unplugged from the outlet when left unused for a long period of time.
