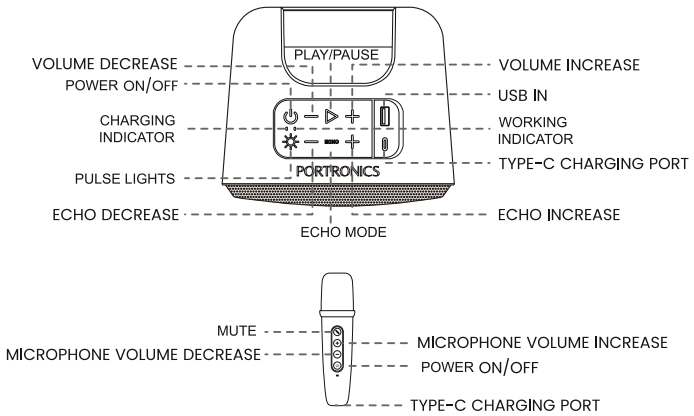
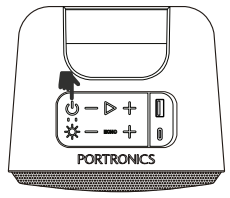
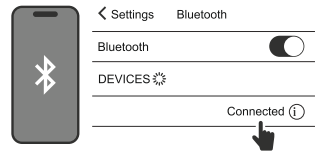
BUTTON CONTROL



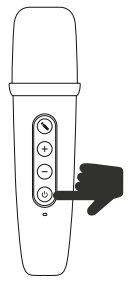
BLUETOOTH PAIRING





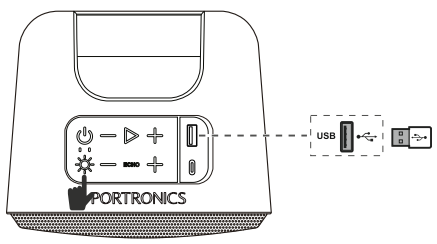
1. Power ON the speaker.
2. Activate Bluetooth on your device.
3. Search and select "Dash" from avail able devices.
4. Once paired, the working indicator will light up.

WIRELESS MIC AUTO CONNECTION



When you power on the speaker and switch on the wireless microphone, the mic will automatically connect to the speaker. A prompt sound or indicator light will confirm successful pairing, after which the microphone is ready to use. If the mic does not connect, restart both devices, ensure they are within range, and check the battery level.

USB PLAY



Insert a USB flash drive into the USB port to automatically start playing music.
