

ECO GLOW BOLT

Rechargeable Magnetic LED Torch

User Manual

Product Overview

Portronics Eco Glow Bolt is a compact yet powerful rechargeable LED torch designed for everyday use, emergencies, and travel. Crafted from premium aluminium alloy with a smooth oxidized matte finish, it combines durability with a sleek, modern look. The LED light delivers up to 650 lumens of brightness across three adjustable modes — Low, Medium, and High — making it suitable for home repairs, outdoor activities, and vehicle maintenance. Its magnetic base and back enable hands-free illumination on any metal surface, while the side clip adds portability for on-the-go convenience. Powered by a 400 mAh rechargeable battery with Type-C fast charging, the Eco Glow Bolt ensures reliable, efficient lighting whenever you need it.

Package Contents

- 1 × Eco Glow Bolt Torch
- 1 × USB-C Charging Cable
- 1 × User Manual

Specifications

- Lumens :**
Low : 190 LM
Medium : 370 LM
High : 650 LM
- Battery Capacity :**
400 mAh Lithium-Polymer
- Runtime :**
Low : 4.5 hrs
Medium : 2 hrs
High : 1 hr
- Charging Time :** 1-2 hours
Material : Aluminium Alloy (Matte Finish)
Charging Port : Type-C

Operating Instructions

- Light Modes :**
The Eco Glow Bolt has 3 brightness levels:
a) Low (b) Medium (c) High

2. **To Power ON :** Press the power button once.

3. **To Change Modes :** Each short press cycles through the modes in sequence.

4. **To Turn OFF:**

Option 1: Long-press the button.

Option 2 (Quick-Off Function) : After 8 seconds of lighting in any mode, press once to switch OFF directly — no need to cycle through all modes.

Charging the Torch

- Pull open the rubber cover on the side to expose the Type-C port.
- Plug the included USB-C cable into the torch and connect the other end to a wall adapter.
- **Indicator Light:**
1. Red Light : Charging
2. Green Light : Fully Charged
- **Charging Time:** Approx. 1-2 hours.

Magnetic Mount

Built-in dual magnets — one at the base and one at the back — allow easy hands-free attachment to any metal surface (car hood, fridge, workstation, etc.).

Clip Function

The side clip lets you easily attach the torch to a pocket, belt, or bag strap for quick access on the go.

Safety & Maintenance

- Do not submerge in water or expose to rain for long durations.
- Avoid looking directly into the light.
- Keep away from high heat or open flames.

- Charge only using 5V 1A adaptor.
- Do not disassemble or modify the product.
- Wipe the torch with a soft, dry cloth; avoid chemical cleaners.
- Recharge at least once every 3 months when not in use.
