

EnCase 103

Laptop Sleeve

15.6 Inch Laptop Sleeve : Encase 103 is going to be your laptop's best buddy and will protect it through thick and thin. With its thick foam inner casing and well-stitched body the laptop sleeve will act like the perfect cover for it!

Waterproof and Shockproof : Encase 103 is safely cushioned and crafted with fabric that stands the test of time truly. It has waterproof properties and saves the laptop from water damage. The laptop sleeve saves the laptop from compressions and bumps helping elevate it's longevity!

Three Spacious Compartments : The laptop sleeve has three separate compartments to help you store other accessories, like mouse, cables, charger among others. Despite this the laptop sleeve is spacious enough to carry other objects!

PU Leather Bag Handle : PU Leather is considered to be one of the strongest fabric materials for durability! The Encase 103 laptop sleeve has a strong handle that can lift a considerable amount of weight for the longest time!

Bag Dimensions of 16.5*11.5 : Encase 103 is distinctly spacious and could fit different ranges of laptop brands like Dell, Lenovo, Hp, Mac, Asus among others. This laptop sleeve holds up the laptop efficiently!
