3.5mm Single Plug + USB-A Plug

Compatibility Note:

This is an Over-Ear Gaming Headphone designed for devices with a 3.5mm audio jack. You may also connect it to Type-C devices using a compatible Type-C to 3.5mm audio converter (not included).

Important: Your Type-C device must support audio output through the Type-C port for the headphone to work.

Product Introduction

Precaution & Safety Notes

- Listening at high volume for long periods may cause hearing damage. Always keep the volume at a safe, comfortable level.
- Do not bend, twist, or pull the USB-A or 3.5mm cable forcefully. Avoid placing heavy objects on the cables.
- Do not expose the headphones or connectors (USB-A / 3.5mm) to water, rain, sweat, or high humidity.
- Keep away from direct sunlight, heaters, or high-temperature environments that may damage components.
- Always unplug the USB-A or 3.5mm connector by holding the head – do not pull the cable.
- Do not use the headphones while driving, cycling, or in situations requiring full attention.
- Clean with a soft, dry cloth only. Avoid alcohol, water, or chemical cleaners.
- Keep the USB-A and 3.5mm ports/jacks free from dust or debris for best performance.
- Keep away from children; cables and small parts may pose risks.
- Stop using immediately if you notice damage, distorted sound, overheating, or unusual smell.
