### Do's and Don'ts

To ensure safe operation of your soundbar, please follow these rules:

- Always place the Soundbar in a safe location. When mounting to a wall, carefully screw it in to avoid damage later.
- Avoid excessive pressure on either equipment.
- When not in use, switch off the Soundbar & Subwoofer and unplug them from the power source
- If the product is defective, kindly do not attempt to fix it yourself. We recommend professional help.
- Keep the product away from water, to avoid internal damage.

**NOTE**: Any damage caused by physical impact, water/liquid, fire, etc. caused by the customer or nature shall not be covered under warranty. Only product design, feature and functionality related faults will be considered. Never dismantle the product without due permission, otherwise it may nullify the warranty clause.
