

VAYU GO

Rechargeable Tyre Inflator

USER MANUAL

PRODUCT OVERVIEW

Thank you for choosing the Portronics VAYU GO Rechargeable Tyre Inflator. This compact and portable inflator helps you inflate car tyres, bike tyres, bicycle tyres, footballs, and more with ease. It features a digital display, preset pressure modes, LED torch, and auto shut-off function for convenient and safe operation.

SAFETY INSTRUCTIONS

1. Only use the inflator for its intended applications.
2. Avoid inflating objects beyond their recommended pressure limits.
3. Do not operate the inflator in extreme temperatures or near flammable materials.
4. Keep away from children to prevent accidental operation.
5. Allow the inflator to cool down after prolonged use to prevent overheating.
6. Charge the battery fully before first use.
7. Store the inflator in a dry and ventilated place.
8. Avoid exposure to water or other liquid
