

VAYU

Rechargeable Tyre Inflator

USER MANUAL

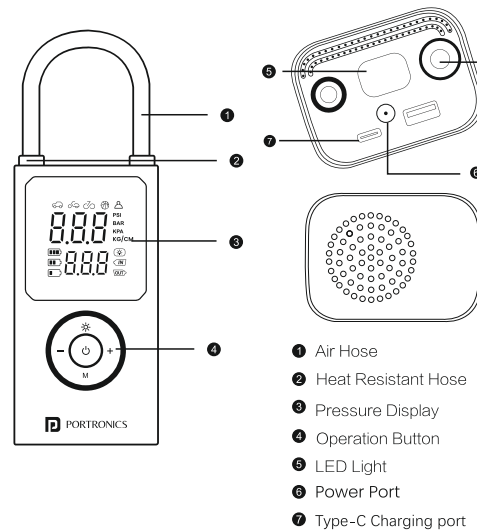

WARNING

- Children should not be allowed to use this tyre inflator.
- Do not use this tyre inflator under sunlight or high heat conditions.
- Avoid exposure to rain, liquid or moisture.
- Switch off the tyre inflator after using.
- Please ensure to read all warnings and manual instructions before using the vacuum cleaner. Improper use may result in product damage or excess heat, for which the brand is not responsible.

ATTENTION

- To reduce the risk of electric shock, do not expose the tyre inflator to rain.
- Store it indoors and away from fire / high heat.
- To ensure long life of the tyre inflator, continuous inflation of more than 10 minutes is not recommended. If using for longer is unavoidable, please take intermittent breaks to allow the tyre inflator to cool down.
