HOW TO USE

1. Car Jump Start

- Connect the smart jumper cable to the Jump Starter interface.
- Attach clamps correctly:
 - Red → Positive (+)
 - Black → Negative (-)
- Start your car engine.
- Remove the clamps immediately after ignition.

2. Tire Inflation

- Connect air hose and suitable nozzle.
- Set desired pressure using + / - buttons.
- Press power button to start/stop inflation.
- Monitor real-time pressure on display.
- Important: Always check recommended tire pressure before inflating.

Battery level display :

This icon has three statuses based on the device's battery level: one cell means the pump is < 30% charged, two cells mean 50% charged, and three cells mean the device is fully charged. The battery level icon will flash when the product is charging and stays on when it is fully charged.

PRODUCT OVERVIEW

VayuCop Neo is a multi-functional emergency device designed to handle unexpected car situations with ease. It combines a powerful jump starter for instant ignition, a tire inflator with precise digital pressure control, and a handy 5V/1A power bank to keep your devices charged on the go. Built for reliability and convenience, VayuCop Neo ensures you're always prepared for car emergencies—anytime, anywhere.

SAFETY GUIDELINES

1. Use jump starter only when battery is less than or equal to 50%
2. Do not inflate continuously for more than 20 minutes
3. Maintain 30-second gap between jump starts
4. Do not attempt more than 3 ignition attempts
5. Always connect clamps correctly to avoid damage
6. Keep away from water, heat, and strong impact
7. Not suitable for children (recommended age: 16+)
8. Charge once every 3 months if not in use
9. Improper usage may result in damage or safety hazards.
10. Do not disassemble the device. Use only as instructed.

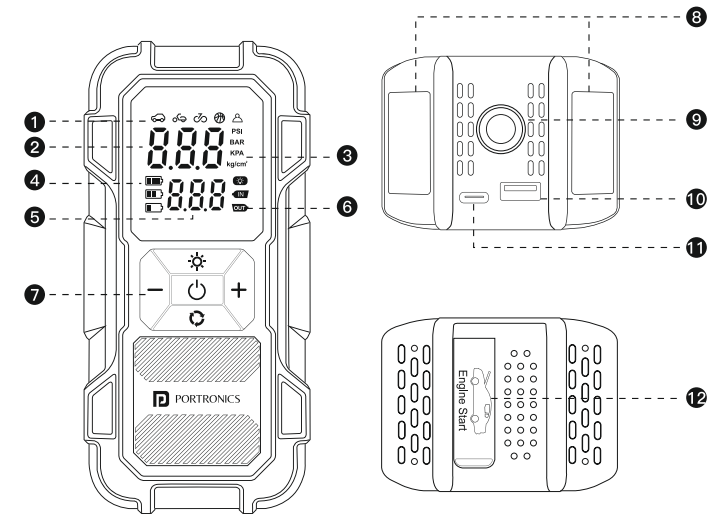

PRODUCT SPECIFICATIONS

1. Battery Capacity: 4x 2000mAh
2. Charging Input: Type-C (5V/2A)
3. USB Output: 5W
4. Compatible with 12V Engines for Emergency Jump Start

PACKAGE CONTENTS

1. VayuCop Neo x1
2. Smart Jumper Cable x1
3. Air Hose x1
4. USB Charging Cable x1
5. Air Nozzles x4
6. User Manual x1
